SEPTEMBER 2011 - ELUL 5770 / TISHEREI 5771

Elul 18
Known as Chai Elul, the "life" of Elul. Birthday of Rabbi Israel Baal Shem Tov (1698), founder of the Chassidic movement, and of Rabbi Shneur Zalman of Liadi (1745), founder of the Chabad movement.

Elul 25-26
After midnight, we recite Selichot (special penitential prayers). We continue doing so every weekday morning until the eve of Rosh Hashana.

Elul 25
According to Jewish tradition, this was the first of the Six Days of Creation. Rosh Hashana is celebrated on day six, when Adam and Eve were created

Rosh Hashana
Rosh Hashana (literally, the "head" of the year) is the beginning of the Jewish year- and the "birthday" of all creation. It commemorates the creation of Adam and Eve, the first humans. On the day he was created, Adam acknowledged G-d's kingship over the entire universe. Each Rosh Hashana, we reaffirm this with our renewed commitment to G-d and his commandments.

The Shofar
The sounding of the Shofar (the ram's horn) is a central observance of Rosh Hashana. The Shofar calls many things to mind: it symbolizes our coronation of G-d as king, it is a "wake up call" to return to G-d, and it presages the coming of Moshiach, whos arrival will be heralded by the "Great Shofar".
One who misses the Shofar in synagogue should make sure to hear at least the thirty prescribed Shofar sounds before the end of the day. Tashlich
On Rosh Hashana, or one of the following days, it is customary to visit a body of water containing fish and to recite the Tashlich prayer. At this service, we symbolically "cast away our sins" as we start
